Chair Mendez called the meeting to order at 6:30 p.m.

2. ROLL CALL

Directors present: Mendez and Williams.

4. APPROVAL OF AGENDA

6. 2008 ANNUAL REPORT

See staff report attached hereto.

The Committee and Mr. Hodgkiss reviewed and discussed content to be included in the 2008 Annual Report. The Committee and staff discussed and developed a list of topics that could be the subject of articles to be contained in the annual report, including water supply conditions, water conservation and San Diego County Water Authority report. It was suggested that Director Williams draft the Water Authority report, as he had done in previous years, since he is the District's representative on the Water Authority's Board.

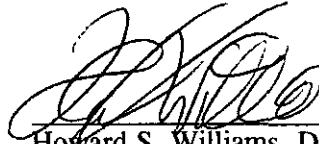

7. POSTING RESOLUTIONS/ORDINANCES TO DISTRICT'S WEB SITE

See staff report attached hereto.

The Committee reviewed and discussed the information presented in the staff report regarding posting resolutions and ordinances to the District's web site with Mr. Hodgkiss. Based on the information presented, primarily cost, the Committee felt that the District should not move forward with posting resolutions/ordinances on the District's web site. The Committee will be making this recommendation to the full Board at an upcoming meeting. Director Mendez suggested that the District add information to the District's web site regarding how customers can request and receive public documents.

8. ADJOURNMENT

There being no further business to come before the Committee, Chair Mendez adjourned the meeting 7:20 p.m.
