

Artificial Turf Rebate Program For Single-family Homeowners

The Vista Irrigation District's new Residential Artificial Turf Rebate Program is available to single-family homeowners who are interested in replacing existing established grass areas with artificial turf. Replacing grass with artificial turf can save approximately 46 gallons of water per square foot per year!

Rebate Amount: \$1.00 per square foot (up to 1,000 square feet any additional square footage will receive a \$0.30 per square foot rebate)

Participation Requirements:

1. Applicant must be a Vista Irrigation District single family residential customer.
2. Applicant must agree to pre-conversion and post-conversion on site inspections. VID staff will visit each site and photograph it before and after installation. During the pre-installation visit, staff will verify the customer is currently watering existing turf. The existing turf area will also be measured during the pre-qualifying visit. The new, artificial turf will be measured during the post-installation visit.
3. Project must replace turf grass (lawn) with artificial turf.
4. Applicant must wait till the application has been approved by the District to begin work on the landscape conversion.
5. The landscape conversion must be completed within 60 days of the pre-conversion on-site visit. Documentation of square footage of turf replaced with artificial turf must be provided.
6. The artificial turf must remain in place for not less than five (5) years from receipt of the rebate. If the artificial turf is removed during the initial five (5) years, the applicant will refund all incentive dollars to VID.
7. The artificial turf installed must be designed to be water and air permeable.
8. Artificial turf must be installed by the homeowner or a licensed contractor.

Rebate Process:

Step 1. Check your water bill and verify that you're a customer of the Vista Irrigation District.

Step 2. Call (760) 597-3107 to be pre-qualified for the program. A conservation specialist will visit the property to measure the existing natural grass and verify it's currently being watered.

Step 3. Install artificial turf and complete rebate application (*see reverse*).

Step 4. Mail completed application, original purchase/sales receipt, and original installation invoice/receipt to:

Vista Irrigation District
Artificial Turf Rebate
1391 Engineer Street
Vista Ca 92081

Step 5. Once your rebate application and receipts are received, you will be contacted to schedule a post-installation inspection. A conservation specialist will visit the property and measure the new artificial turf.

Step 6. Please allow 6-8 weeks after your post installation inspection to receive your rebate check.
